

CITY & COUNTY OF HONOLULU RATE SCHEDULES (continued)

Low priority: During all channel busy conditions a low priority customer will be given a maximum of three minutes call time. During non-all system busy time, the call time will equal a high priority customer (five minutes).

Inter-Island: Time allowance for each island to be accumulated and charged by initial Island office. If customer wishes full time allowance per Island, customer to pay full service charge per each island.

B. EQUIPMENT RENTAL CHARGES

Equipment rentals and leasing are determined according to the specific equipment. These equipment rental and leasing rates are not subject to this tariff.

C. DEPOSIT

Initial deposit: one (1) month's service charge.
Long Distance Dial deposit:: \$100.00 additional.

D. INSTALLATION

1. Subscriber-owned equipment: Installation may be performed by any person or party selected by the subscriber at subscriber's sole cost and expense.
2. Utility-owned equipment: Installation must be performed by the Utility or an independent contractor, duly designated and authorized by the Utility and at the going rate charged by said independent contractor.

Issued: AUG 2 1988

Effective: AUG 2 1988

By: Terry Revnak
President

CITY & COUNTY OF HONOLULU RATE SCHEDULES (continued)

Installation charges shall be billed directly from the Utility or the independent contractor to the subscriber.

E. SERVICE AREAS

Initially service will be limited to the following areas because of equipment limitations:

Barbers Point	Honolulu
Waipahu	Waikiki
Pearl City	Wahiawa

II. PAGING AND SIGNALLING SERVICE

The following charges will be made for domestic paging and signalling service in the City and County of Honolulu, State of Hawaii.

A. EQUIPMENT RENTAL CHARGES

Equipment rental leasing charges for tone or tone and voice equipment will be dependent upon the specific type of unit rented and its costs. Charges are calculated dependent upon the following:

1. Utility's cost of equipment
2. Age, condition (operating type)
3. Options (specific functions)
4. Number of units rented by customer

CITY & COUNTY OF HONOLULU RATE SCHEDULES (continued)

B. DEPOSITS

Service: One (1) month's service charge.

Rental: One (1) month's rental charge, plus a damage deposit of \$50.00. The \$50.00 shall be applied to any insurance deductible in case of loss.

E. INSURANCE

All rental units must be insured at customer's expense. Insurance available through utility at approximately \$16.00 (per unit/year) or customer may supply utility proof of proper insurance naming utility as loss or damage payee.

III. SHORT TERM USE

Short term refers to usage of paging or mobile-telephone for less than the utilities minimum required term of service.

This service would be available for conventions, special functions, etc.

The utility reserves the right to charge such users dependent on the time of service, type of equipment required, etc. The charges for this service will not exceed the minimum required charge for full contract service as per the utilities filed rates.

IV. INTER-ISLAND PAGING

A. Customer to pay initial Island rates.

B. Additional Islands to be charged at tariffed service only charges (initial Island equipment charges applied if equipment required).

Issued: AUG 2 1988

Effective: AUG 2 1988

By: Terry Revnak
President

CITY & COUNTY OF HONOLULU RATE SCHEDULES (continued)

C. Customer may mix service required between islands.

Example:

Customer requires voice service on Maui and Kauai, but tone only service in Honolulu. Customer also requires priority page in Honolulu. Initial service supplied by Honolulu. (one zone)

Honolulu service	= \$ 3.00
Maui service	= \$15.00
Kauai service	= \$15.00

TOTAL = \$33.00 per/month

D. Note-required for all Islands

Customer must have local address, office, as proof that initial Island service is customers main area of operation.
